

WORLD CHOCOLATE MASTERS

This mould collection is the outcome of a unique cooperation between The World Chocolate Masters and Chocolate World.

One of the assignments during the final of the competition is making a moulded praline. Chocolate World is honoured to sponsor this category by converting each finalists design into a polycarbonate mould.

These designs are inspired by the contestants country of origin and the theme of the different editions: 2013 Architecture of Taste and 2015 Inspiration of Nature.

Take a look at these original designs and let them inspire you to bring your chocolate to a higher level.
